Title: Land Reform Regulations for Suburban Areas

Editor: Hsin-hua Shu-tien, Chung-nan Tsung-fen-tien Pien-fan-pu

Publisher: [Editor], Hankow, December 1950

**Sponsor or
Issuing Authority:** None indicated

No Pages: 24

Language: Chinese

Area of Coverage: China - Peiping

Subjects Covered: Land reform; confiscation of land, livestock, tools, surplus food, surplus houses, and property of landlords in the suburban areas

Review: Official texts of the land reform regulations for suburban areas adopted by the Government Administration Council on 10 November 1950 and a summary report of the Peiping People's Government on land reform in the Peiping suburban areas since inception of land reform in October 1949. Describes how regulation works in suburban areas of a large city such as Peiping. Gives some sociological data concerning Peiping suburban areas and describes some of practical problems relating to land reform.
